Nissan Forklift

Nissan Forklift Training Cambridge - Nissan takes great delight in reaching total client satisfaction, when their consumer is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to offering high value and detail-oriented quality standards to their customers. Incorporating a prosperous heritage combined with solid production principals, Nissan Forklifts provide some of the best materials handling equipment the industry has to offer.

In order to meet the worldwide needs of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering customer support, the company has four distinct production facilities that permit them to continually adapt to their clients continually evolving desires by offering a range of progressive ideas and concepts.

The Nissan Forklift North and South American base is stationed in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the support, design and manufacture of their products. Operating under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to sustain environmental accountability by utilizing systems that minimize the worldwide influence of their products and processes. These high values remind clients that Nissan operates under the quality seal that their consumers insist upon whilst being an environmentally responsive organization.

Nissan is confident that they will be capable of addressing any buyer inquiries or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their community authorized dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
